

Christ Global Ministries

I (encircle one) Pastor, Evangelist, Apostle, Prophet, Teacher: Name:..... understand and agree with this constitution, as it stipulates important biblical guidance that will help me work together with a group of other men and women of God, who have the same vision for ministry.

- a. I also understand, although I join this selfless and dynamic group of ministers of the Gospel of Jesus Christ, my church is free and independent to follow a course I choose. If in good faith my spirit meshes with the goals and the objectives pursued by this body, than in order to benefit from it, I will and must abide by the spiritual and biblical principles established by this body to receive the covering.
- b. The extent of the covering is limited to training, ministerial credentials, ordination, church building and spiritual accountability.
- c. I foremost understand that the *code of honor* of this body is **HUMILITY** and **STRIVING TO MAKE SOMEONE ELSE BETTER THAN YOURSELF**. I will do all my best to create a climate of *peace* when I disagree with anyone or anything I do not understand, until I fully receive the explanation. I am not a divider; therefore I will foster *unity* in any capacity I serve. I understand that I serve God and not man; therefore I will imitate the example of Christ, Paul, and those appointed before me, knowing well that God is above every man.
- d. The body I join is not obligated to support me financially or otherwise, but I will prove myself worthy of their help and encouragement following the choices I make concerning the tithes and offerings generated from my ministry, and how well I work with others as a team.
- e. I agree to send each month a contribution of \$100 or more, as the Lord leads me, to the CGM Headquarters to support regular missions around the world.
- f. I agree to attend at least 1 General Conference, and 1 Regional Meeting a year, to keep my membership active. Should I choose to be inactive in ministry for 6 months, I will return my ministry license to the CGM Headquarters.
